WORK EXPERIENCE

Front-End Developer - Best Point

Remote (Brazil) | 2024 - Present

- *Develop and maintain responsive user interfaces with React and JavaScript.*
- *Work with designers and backend developers to deliver features on time.*
- *Style components using CSS, focusing on accessibility and clean layout.*
- *Participated in planning and team discussions to improve UX and workflow.*
- *Projects are protected under NDA and cannot be shared publicly.*

Freelance Front-End Developer & Designer
Remote (Brazil) | 2022 - Present

- *Designed and developed landing pages and apps using React.*
- *Worked with clients to understand needs and deliver customized solutions.*
- *Created design mockups in Figma and implemented them in code.*
- *Led the full redesign and implementation of a Moodle-based LMS: standardized course structure, improved UI, and added custom features using raw HTML/CSS/JS (no frameworks).*
- *Develop websites using WordPress*

Project Manager & Administrator — Various Roles

- *Maintained databases, templates, and technical documentation.*
- *Created content and managed social media for businesses.*
- *Negotiated contracts and organized events.*
- *Oversaw finances, inventory, and resource usage.*
- *Gained strong communication, multitasking, and leadership skills.*
